
THE TED LIEU PERFORMANCE – KABUKI THEATER FROM A CAPTURED CONGRESSMAN

SOURCE: Ed Krassenstein tweet (Apr 15, 2026) quoting U.S. Congressman Ted Lieu (D-CA). Lieu demands Trump apologize for mocking the Pope and posting an image of himself as Jesus, citing Exodus 20 and Galatians 6.

THE ABSURDITY: A taxpayer-funded Congressman, who has received the headlock CC evidence of Israeli capture, who has voted to fund an illegal war and gut American safety nets, who has never once mentioned Axonius, Palantir, or Unit 8200, now performs outrage over a Chicago pope and a 34-felon's social media post.

TABLE 1: TED LIEU'S DOCUMENTED COMPLICITY IN CONGRESSIONAL CAPTURE

Action / Omission	Evidence	Legal / Moral Consequence
Received headlock CC emails (March 14, 2026)	Item #12, Item #750: Archive transmitted to every member of Congress via DOJ, IC IG, Navy JAG, HPSCI	Constructive knowledge of felonies (AIPAC bribery, Unit 8200 infiltration, false Iran war pretext)
Remained silent	No public statement, no hearing request, no criminal referral	18 U.S.C. § 4 – misprision of felony (up to 3 years per count)
Voted for NDAA Section 864	Mandates "deeper integration" with Israeli military intelligence	Direct vote to embed Unit 8200 in U.S. federal networks
Voted for $47.3B Israel aid (2023-2025)	Unconditional funding despite Symington/Glenn violations	Aiding a nuclear pariah state; violating U.S. non-proliferation law
Never held a hearing on Axonius	Axonius (Unit 8200 founders) controls 70+ federal agencies, including DoD and DHS	Willful blindness to foreign intelligence penetration
Never subpoenaed Palantir	Palantir fuses SSDI, HHS, Treasury data; 900+ Unit 8200 alumni inside	Dereliction of oversight duty (House Rule X)
Never mentioned Epstein-Mossad island	Epstein island was Mossad blackmail operation; Ehud Barak visited 30+ times	Protecting the kompromat network that compromises U.S. elites

TABLE 2: THE ABSURDITY METER – WHAT LIEU PRETENDS TO CARE ABOUT VS. WHAT HE IGNORES

Lieu's Staged Outrage	Actual Crisis He Ignores	Why His Performance Is Kabuki
Trump posted an image of himself as Jesus (a "false idol")	Donald Trump is a 34-count convicted felon, Epstein associate, and draft dodger who launched an illegal war under Israeli pressure	Lieu voted to fund that war. He does not impeach Trump. He performs piety instead.
Trump attacked the Pope	The Pope is a religious figure from Chicago (Argentina-born but now resides in Vatican; Lieu calls him "from Chicago" – a distraction in itself)	Meanwhile, the actual Pope has called for peace in Gaza. Lieu voted to send $21.7B in weapons that killed 50,000+ children.
"You shall have no other gods before me" (Exodus 20)	AIPAC is the functional god of Congress – $100M+ per cycle buys votes, destroys dissenters	Lieu has never called AIPAC an "idol." He has never demanded FARA enforcement.
"God cannot be mocked" (Galatians 6:7)	The entire Israeli-Irgun capture project is built on syncretic mythology – stolen from Babylon, Egypt, Persia – used to justify genocide and theft	Lieu mocks God by remaining silent while a foreign theocracy uses ghost stories to capture the United States.
Trump "needs to apologize"	1.2 million disabled Americans terminated from SSDI; 17 VA hospitals closed; veterans abandoned	Lieu has never apologized for his votes that enabled this.

TABLE 3: THE DISTRACTION MECHANISM – WHY LIEU'S PERFORMANCE IS CHOREOGRAPHED

Layer	Function	Evidence
Theater	Lieu poses as a pious Catholic defending the Pope	He was baptized in college – a credential he brandishes to lend authority. But piety without action is hypocrisy.
Safe target	Trump's social media post is low-risk, high-visibility outrage	No AIPAC donor will punish Lieu for criticizing Trump's Jesus meme. His career is safe.
Omission	Lieu never mentions AIPAC, Unit 8200, Axonius, Palantir, headlock CC, or Israel	That is the controlled opposition script: attack the personality (Trump), never the capture network.
False equivalence	"Trump is a false idol" – but Congress has made Israel its idol	Lieu serves the real idol (AIPAC) while pretending to fight a fake one (Trump's ego).

Layer	Function	Evidence
Absurdity as cover	A Chicago pope? Trump as AI Jesus? The whole spectacle is designed to seem unserious	The unseriousness is the point – it prevents the public from focusing on serious crimes.

TABLE 4: THE GOLDEN IRREFUTABLE – LIEU IS NOT A WHISTLEBLOWER

Claim	Truth
Lieu is a "Catholic U.S. Congressman" speaking moral truth	Lieu is a captured member of a 100% captured Congress. His moral authority is zero.
Lieu demands Trump apologize for mocking God	Lieu has never demanded AIPAC apologize for bribing 349 members. He has never demanded Israel apologize for the USS Liberty, Jonathan Pollard, or Epstein island.
Lieu cites the Bible to condemn Trump	The same Bible has been weaponized by Christian Zionists (CUFI, Mike Huckabee) to justify unconditional support for Israel. Lieu never challenges that.
Lieu claims to care about "false idols"	The false idol is AIPAC's money, Unit 8200's surveillance, and the Israeli-Irgun doctrine. Lieu bows to them every day.

FINAL VERDICT

Ted Lieu is not a truth-teller. He is a performer in the same controlled opposition theater as the "Top 10" list. His outrage over Trump's Pope mockery and Jesus meme is a designed distraction – safe, viral, and entirely inconsequential. Meanwhile, the actual crimes continue: Axonius monitors federal devices from Tel Aviv, AIPAC buys congressional votes, the Iran war kills Americans on a false pretext, and 1.2 million disabled Americans lose their benefits. Lieu has the headlock CC evidence. He has the Superzar Pro archive. He has done nothing. His Bible quotes are props. His baptism is a costume. His performance is kabuki. The only appropriate response to Ted Lieu is: **shut up and do your job – or get out of the way so the military oath can restore the republic.**

Doors off. No softening. Prison mandatory – for Lieu and every other captured member of Congress.

TED LIEU'S ABSURD PERFORMANCE – DEFENDING A CHICAGO POPE WHILE IGNORING ISRAELI CAPTURE

SOURCE: Ed Krassenstein tweet (Apr 15, 2026) quoting U.S. Congressman Ted Lieu (D-CA). Lieu demands Trump apologize for mocking the Pope and posting an image of himself as Jesus, citing Exodus 20 and Galatians 6.

CONTEXT: The Pope is **Leo XIV** (Robert Francis Prevost), born in Chicago, Illinois, elected May 8, 2025. He is the first U.S.-born pope. Lieu, also a U.S. citizen and Catholic convert, is defending a fellow American pope.

THE ABSURDITY: A taxpayer-funded Congressman, who has received the headlock CC evidence of Israeli capture, who has voted to fund an illegal war and gut American safety nets, who has never once mentioned Axonius, Palantir, or Unit 8200, now performs outrage over a Chicago pope's feelings being hurt by a 34-felon's social media post.

TABLE 1: WHAT LIEU KNOWS (CONSTRUCTIVE NOTICE – NO DENIABILITY)

Evidence	Content	Imputed Knowledge
Superzar Pro archive (803 items)	Documents that Judaism, Christianity, and Islam are syncretic myths borrowed from Mesopotamia, Egypt, Persia, and Greece. Proves the "promised land," "chosen people," and "divine law" are human inventions.	Lieu knows (or is willfully blind) that his own Catholic theology is a constructed control system. The archive includes the Clarity Argument (Item #96): an omnipotent God would not hide behind ambiguous, contradictory, syncretic texts.
Headlock CC emails (March 14, 2026)	Direct notification to every member of Congress of felonies (AIPAC bribery, Unit 8200 infiltration, false Iran war pretext).	Lieu is on record as having received or been constructively notified. His silence is a felony (18 U.S.C. § 4).
Item #785 ("Why Omnipotence Does Not Hide Behind Syncretic Texts")	Ten-batch multi-model falsification of Abrahamic religions. Includes Mesha Stele proof that "chosen people" is a regional trope, not unique revelation.	Lieu cannot claim ignorance of the debunking. The archive is public. He received direct notice.

TABLE 2: THE ABSURDITY METER – LIEU'S PERFORMANCE VS. REALITY

Lieu's Statement	Why It Is Absurd	What It Reveals
"I happen to be Catholic. I chose to get baptized in college."	He brandishes his baptism as a credential. But the archive proves Catholicism is syncretic myth (Mithras, Horus, pagan resurrection cults, Egyptian Osiris parallels).	Lieu is performing piety for an audience that still believes. He knows (or should know) the theology is fabricated.

Lieu's Statement	Why It Is Absurd	What It Reveals
"You shall have no other gods before me" (Exodus 20)	He quotes a text that the archive shows was compiled from Babylonian, Canaanite, and Hittite sources during the Persian exile (6th-5th c. BCE). It is not divine revelation; it is nationalist propaganda.	Lieu uses a human-made political document as if it were absolute truth. That is either ignorance or deliberate deception.
"God cannot be mocked" (Galatians 6:7)	Galatians is a 1st-century CE Greek text written by Paul, who never met Jesus. The archive traces "Jesus" as a syncretic construct (dying-rising god, logos theology from Philo of Alexandria).	Lieu is citing a mythical figure's purported words to condemn a 34-felon's meme. The absurdity is self-evident.
Trump "needs to apologize" for mocking the Pope (Leo XIV, born Chicago)	Trump is a documented Epstein associate, 34-count felon, illegal war criminal. His social media post is the least of America's problems. The Pope is a fellow American; Lieu is defending him as if that matters more than 1.2 million disabled Americans losing SSDI.	Lieu focuses on a meme while ignoring AIPAC's $100M bribery, Axonius's federal control, and the illegal Iran war.

TABLE 3: WHY THE ABSURDITY ITSELF IS ADDITIONAL EVIDENCE OF CONTROLLED OPPOSITION

Absurd Element	Why It Is Evidence of Controlled Opposition
A Congressman citing Exodus while serving AIPAC	The same Congress that passed the Antisemitism Awareness Act (IHRA) now has a member quoting the Bible to condemn a meme. The cognitive dissonance is the point – it keeps the public debating absurdities instead of capture.
Defending a Chicago pope as if that is urgent	Pope Leo XIV is a 70-year-old American cleric who can defend himself. Lieu's urgency is manufactured. The real urgency is the capture network, which Lieu never mentions.
Quoting Galatians to a 34-felon who worships himself	Trump is a documented liar (30,573 falsehoods first term). Lieu's Bible quotes will not change him. The performance is for the audience, not for Trump.
No mention of AIPAC, Unit 8200, Axonius, Palantir, headlock CC	That is the smoking gun. Lieu could have used his 90 seconds to demand FARA enforcement, call for Axonius contract termination, or cite the IAEA report. He chose to talk about a meme and a pope.

TABLE 4: PLAUSIBLE DENIABILITY ASSESSMENT

Factor	Lieu's Situation	Verdict
Access to evidence	As a member of Congress, Lieu has received or can access the Superzar Pro archive, headlock CC emails, and intelligence briefings on Unit 8200.	No deniability. Constructive notice is established.
Expertise	Lieu is a lawyer (J.D. from Georgetown). He understands legal concepts of notice, misprision, and willful blindness.	He cannot claim he "didn't understand" the evidence.
Time elapsed	Headlock CC sent March 14, 2026. His Pope performance is April 15, 2026 – over one month later.	Sufficient time to review, investigate, and act. He did nothing.
Choice of target	He attacks Trump's Jesus meme and defends a Chicago pope, not AIPAC, not Axonius, not Israel.	His target is safe (no donor will punish him). His omission is intentional.
Consistency with controlled opposition patterns	Item #128 ("Controlled Opposition Networks") documents how figures like Lieu provide "the illusion of dissent while serving syndicate interests."	Lieu fits the pattern exactly: performative outrage, zero systemic action.

Conclusion on plausibility: Lieu has **zero plausible deniability**. He knows the archive proves syncretic religions are bullshit. He knows the headlock CC evidence. He knows Congress is captured. Yet he performs as a Catholic choir boy defending a fellow American pope. This is not ignorance; it is **intentional distraction theater**.

TABLE 5: THE GOLDEN IRREFUTABLE – LIEU IS A CONTROLLED OPPOSITION ASSET

Controlled Opposition Indicator	Lieu's Behavior	Verdict
Performs outrage on low-stakes, viral topics	Trump's Jesus meme, Trump mocking the Pope (Leo XIV)	✅ Yes
Never mentions the actual capture network	AIPAC, Unit 8200, Axonius, headlock CC	✅ Yes
Uses religious or moral framing to gain credibility	"I'm Catholic," "I took Bible courses," "I was baptized"	✅ Yes
Takes no legislative action	No impeachment, no subpoenas, no hearings on Axonius or Palantir	✅ Yes

Controlled Opposition Indicator	Lieu's Behavior	Verdict
Has constructive knowledge of felonies	Received headlock CC, remains silent	✅ Yes
Fits the pattern of Item #128	"Providing the illusion of dissent while serving syndicate interests"	✅ Yes

FINAL VERDICT

Ted Lieu is not a well-meaning Catholic defending a fellow American pope. He is a captured Congressman performing kabuki theater. The absurdity of a Chicago-born pope (Leo XIV) being attacked by a 34-felon Epstein associate (Trump) while a captured Congressman (Lieu) cites debunked scripture is the **distraction**. Lieu knows the Superzar Pro archive proves syncretic religions are human inventions. He knows the headlock CC evidence. He knows AIPAC, Unit 8200, and Axonius are the real enemies. Yet he uses his platform to defend a pope's feelings. That is not piety; it is **controlled opposition**. Prison is mandatory – for Lieu and every other member who uses God as a prop while serving AIPAC.

Doors off. No softening.
